

Vitalize: Giving Life to God's Dream for Our Community

Vitalize is a two-year, \$500,000 stewardship campaign for capital improvements. The goal is lofty, but the results will bring exciting new energy to our church.

We feel that God is calling our church to this new phase of its life.

How is God calling you to Vitalize your spiritual life, as well as that of your church, through your participation in these visionary ministries?

THE KITE FAMILY ROOM PROJECT

To provide extra space the Kite Chapel will be expanded a few feet into the Whisner Building, with doors that can be open or closed. This comfortably-furnished sitting room will accommodate families gathering for weddings or funerals, small groups, prayer vigils, and any number of other groups desiring privacy and serenity.

The cost of the Kite Family Room project is approximately \$120,000.
